PATHFINDER PROCESS

This is just a reminder that the Circuit Pathfinder process starts at Zetland Park early in the New Year.

Hopefully the two meetings, to be held on **11th and 25th January at 7 pm**, will already be in your diary. All church members are encouraged to attend, indeed anyone active in the life of the church would be welcome to join us.

At the first meeting we will be looking at the "Our Calling" questions on pages 16 and 17 of the booklet, and then at the second meeting we will be picking up with the remainder of the document.

Please do take the chance to read through and pray through the questions. Indeed, I would encourage you to jot down thoughts and answers BEFORE we meet and bring them with you. The first session will definitely be done in small groups to everyone can have some input.

And just to remind you, John Henry would love all churches to creatively engage with this process as the Circuit seeks to find out how best to support its churches in finding fruitful growth!

Exploring the Christian Faith in a Methodist context

"**Compass**" is a course designed by the Methodist Church to allow people to explore the Christian Faith but from a Methodist context.

It is intended to be used:

- 1) by those wanting to know more about Methodist Membership or wishing to become members of the Methodist Church, or
- 2) as a reminder of the main themes of the Christian Faith

"**Compass**" is an eight week course and, ideally, you are encouraged to attend all weeks.

"**Compass**" will be running every Sunday afternoon in January and February, starting at 4pm, at Newcomen Methodist Church. (Each session will take about one and a half hours.)

"**Compass**" has an accompanying booklet which costs £2-50, but that is the only cost you are asked to cover - refreshments etc. will be provided.

If you have any questions please have a word with Arthur.
